

GIFTED EDUCATION, ENDORSEMENT

The PDE-approved Gifted Endorsement can be completed in less than one year, with offerings year-round (fall, winter, spring, and summer). The completed endorsement (12 s.h.) can be applied in its entirety towards the requirements for the Post-Baccalaureate Certificate and the Master of Education degree in Gifted Education.

Students apply for and are admitted to the Post-Baccalaureate Certificate in Gifted Education. Upon completion of the required 12 credits, they are eligible to apply to the PDE-approved endorsement.
