

SOCIAL WORK, M.S.W.

Millersville and Shippensburg universities are jointly offering a Master of Social Work (MSW) degree program. It is designed for students who want to either further their education in social work or join the social work profession. The program was developed to support both the full-time student and the working professional. State-of-the-art technology permits students to acquire social work knowledge, skills, and values through multiple educational methods, including traditional campus classes, part-time online options, and web-based activities. Because this is a joint program, students benefit from the quality faculty and resources of both universities.

All required courses are offered in the late afternoon or evening. Elective courses will primarily be offered in the evening and occasionally on Saturdays. Online course may be synchronously or asynchronously.

Dual Degrees

MSW + MSEM

A dual-degree option is available for students in the MSW program who wish to also obtain a Master of Social Work and Master of Science in Emergency Management. Students seeking a dual degree in MSW/MSEM will need to complete the full curriculum in the MSW program (which is 36 or 60 credits). Students will learn emerging trends in emergency prevention, response and recovery; gain knowledge and skills related to emergency-management response; and develop ways to address secondary trauma individuals may experience after emergencies.

Learning Objectives

- Provide an understanding of the social nature of natural hazards and disasters.
- Give students knowledge of the social factors affecting disaster mitigation, preparedness, response and recovery, and 24 additional unique credits within the MSEM program.
- Reveal unfounded myths about human behavior in disasters.
- Increase awareness of hazards and disasters around the world and the unequal social consequences stemming from disasters.
- Provide an awareness of opportunities for policy adjustments and applications of research findings.
- Highlight social work values and ethics in examining the consequences of disasters as they relate to race, ethnicity, national origin, class, gender, physical or mental disability, mental illness and age.

MSW + MEd in Sports Management

A dual-degree option in MSW/M.Ed. in sport management will need to complete the full curriculum in the MSW program (which is 36 or 60 credits). Students will learn emerging trends in working with athletes of all levels, in clinical and counseling settings; gain knowledge and skills related to athletic program and/or venue management; and develop methodologies to work with athletes in a number of areas— for example, career counseling, life skills development, substance-abuse prevention, advocacy, recruitment and transitioning to a post-athletic career.

Learning Objectives

- Provide an understanding of the need for social workers in athletic settings.
- Give students knowledge of the social factors affecting athletes of all levels, develop skills to administer and develop athletic programs or

facilities, and 24 additional unique credits within the M.Ed. in sport management program.

- Discuss current perceptions of student-athletes.
- Increase awareness of the issues regarding athletes and sport management.
- Provide an awareness of opportunities for policy adjustments and applications of research findings.
- Highlight social work values and ethics in examining the issues of professional and amateur athletes as they relate to race, ethnicity, national origin, class, gender, physical or mental disability, mental illness and age. Students will have the opportunity to complete three internships while in the program, two with a social work focus and one with a sport management focus.

Certificates

MSW + School social Worker certification

The School Social Work certification is designed to prepare social work students with the required knowledge, skills, and expertise to “support the academic, career and personal-social development needs” of diverse, vulnerable, and at-risk PreK-12 students and their families. In the Commonwealth of Pennsylvania, the School Social Work certification is required by school districts.

MSW + Home and School Visitor

The Home and School Visitor Certification is designed to provide students with the required knowledge and skills to work collaboratively in a school setting at all systems levels.

MSW + Expressive Arts

The Expressive Arts certificate will provide students with the required knowledge and skills around the use of the arts (e.g., music, theater, art, dance/movement, storytelling) to apply to their practice with various groups and at all levels of practice. Additionally, upon completion of the certificate and then a subsequent 200-hour internship, students will be eligible to apply as a Registered Expressive Arts Therapist.

MSW + Advanced Children, Youth, and Families

The Advanced Children, Youth, and Families Certificate is for students enrolled in or who have completed a master's degree in Social Work to provide culturally competent services to vulnerable children and families through a range of public and private agencies at various levels of practice. The focused curriculum includes coursework on clinical skills to work effectively with children and their families to promote positive outcomes, and macro skills and strategies to develop productive change in service delivery systems.

Mission

The mission of the joint Millersville-Shippensburg MSW program is to provide accessible social work graduate education in the South Central region of Pennsylvania. We prepare students to be effective advanced generalist practitioners committed to the purpose and values of the social work profession.

Goals

1. Prepare students for competent advanced generalist practice through the acquisition and demonstration of social work practice behaviors

consistent with the Council on Social Work Education (CSWE) educational policy and accreditation standards.

2. Prepare students with the specialized knowledge and skills for social work practice with client systems to resolve problems and facilitate change within the boundaries of ethical practice, and with attention to the profession's commitment to social justice and human rights.
3. Encourage students' commitment to continued professional development and lifelong learning by providing opportunities for community engagement and real-life learning experiences.

Accreditation

The Millersville-Shippensburg MSW program is accredited by the Council on Social Work Education (CSWE). The program has continuously been accredited since its inception in 2006. The accreditation validates that the program meets national standards for social work education as determined by experts in the field. Practitioners must have graduated from a CSWE-accredited social work MSW program to be eligible to apply for licensure in Pennsylvania.

Admission Classifications

The program is designed both for students who have no previous social work education and for those who want to build upon their baccalaureate social work education. Students will be admitted full- or part-time. Students have the option to attend in-person or online.

Applicants may apply for regular-standing admission or for advanced-standing admission. Regular-standing admission is for students who completed a baccalaureate degree with a major from other than a CSWE-accredited social work program, and for students who graduated from a CSWE-accredited social work program but do not meet the GPA requirements for advanced standing. Applicants may apply for advanced standing admission if they have graduated from a CSWE-accredited social work program and meet the GPA requirements as described in the admission guidelines.

Admission Guidelines

Candidates may choose to apply through either Millersville or Shippensburg University. Applicants for regular-standing admission must have a minimum cumulative grade-point average of 2.8 on a 4.0 scale from a regionally accredited undergraduate institution. In exceptional cases, applicants who lack the required grade-point average should contact the MSW Program Director to discuss their options.

Applicants for advanced-standing admission must have earned a baccalaureate degree within the last eight years from a CSWE-accredited social work program with an overall GPA of 2.8 and a major GPA of 3.25 or higher on a 4.0 scale.

Students who graduated with a baccalaureate degree from a CSWE-accredited social work program who are not eligible for advanced standing may be eligible for exemptions from first-year foundation courses other than practice and field instruction in which they have earned a grade of B or higher within the past eight years. Exemptions will reduce the total number of credits a student must earn to graduate. The Admissions Committee will send a letter notifying the applicant of the exemptions.

Students who do not otherwise qualify for advanced-standing status may be exempted from certain foundation courses under strict guidelines as outlined in this section. Students may not be exempt from practice or field placement coursework. With the exception of practice and field instruction courses, students who earned a grade of B or higher within

the past eight years in courses that were part of a CSWE-accredited social work program are eligible for exemptions from first-year foundation courses with similar content.

Applicants must evidence a combination of professional and personal experiences, qualities and values that are considered essential for the practice of social work. A current résumé is required. Three professional references are required, with a minimum of one from faculty and one from a current or recent agency employer or supervisor. Applicants for advanced standing are required to submit an additional reference from the department chair of their undergraduate program. Applicants will complete a written personal statement. Application forms are available on the graduate studies website, www.millersville.edu/apply/graduate (<http://www.millersville.edu/apply/graduate/>). The program may request a personal interview or additional information about an applicant when necessary to make a fully informed admissions decision.

Persons who have some criminal records may not be eligible to work in some human service fields. Applicants with criminal records should contact the MSW program director for additional information.

Students may receive or transfer credit for up to nine credit hours earned at other regionally accredited institutions prior to admission. Graduate credits earned more than five years prior to admission do not qualify for transfer. Students may only transfer credits if they are in good standing in those schools. Courses must be listed on an official transcript with a B or higher. Condensed one-week graduate courses do not qualify for transfer.

With advance permission of the faculty advisor, program director and Dean of graduate studies and research, and as part of a planned program, a student may transfer credits from other graduate programs at Millersville University or Shippensburg University. Forms for the approval process of transfer of credits are available at www.millersville.edu/gps/studentlife (<http://www.millersville.edu/gps/studentlife/>). The program does not grant academic credit for life or work experience.

Degree Requirements

Students with regular-standing admission must complete 60 credits of graduate study, including 39 credit hours of required coursework, 12 credit hours of field practicum and 9 credit hours of electives. BSW graduates with regular admission status may receive exemption for some coursework, as per admission guidelines.

Students with advanced-standing admission must complete 36 credits of graduate study, including 18 credit hours of required coursework, including a summer "bridge" course, 6 credit hours of field practicum and 12 credit hours of electives.

All required courses must be taken in sequence. The 60-credit in-person program can be completed in two years full-time (four courses a semester) or four years part-time (two courses a semester) or in 3 years with either Generalization of Foundation Year completed on a full-time basis. The online 60-credit program can be completed in three or four years. The 36-credit in-person program can be completed in one year full-time or two years part-time. The online 36-credit program, can be completed in two years. Both programs are year-round, with each new cohort starting in the summer term.

Degree Candidacy

A formal admission to the degree candidacy process takes place after a minimum of 12 credits have been completed. Millersville-Shippensburg MSW faculty members evaluate students to determine if they have the potential for completing the requirements of the social work program.

Qualifications are based on academic performance in line with University standards and demonstrated ethical behavior, values and commitment to social work as a career. The social work faculty has the right to dismiss from the program at any time students found not qualified for social work practice.
