

# SPECIAL EDUCATION, M.ED.

## Master of Education in Special Education

The Master of Education in special education provides experienced educators an opportunity to advance their careers in knowledge and skills needed to be teacher-leaders. This program that recognizes experience has been designed to improve the practice of educators through a robust program of study designed to emphasize evidence-based practice, advocacy, collaboration, and reflection. The M.Ed. in special education does not lead to level 1 certification.
