

EMERGENCY MANAGEMENT, M.S.

Degree Requirements

The curriculum consists of 24 credit hours of required courses and an additional six credit hours of elective courses. The degree program, therefore, requires students to complete a total of 30 credit hours. Each course will incorporate knowledge and skills from or relevant to academic research, best practices, human behavior and key organizations, as well as legal issues, policies, rules and regulations.

The program can be completed on a part-time schedule. Students can elect to enroll in one or two courses during the fall and spring semesters as well as during the summer. It is possible for students to complete the program within two years; it must be completed, however, within five years.

Transfer Credits

All transfer credits must come from a regionally accredited institution and must have been completed within five years of enrolling in the MSEM program. A total of nine credits can be transferred.
