

MATHEMATICS

The Programs

The Department of Mathematics offers:

- Mathematics Post-Baccalaureate Certificate (<https://catalog.millersville.edu/graduate/college-science-technology/mathematics/mathematics-post-baccalaureate-certificate/>)
- Mathematics, M.Ed. (<https://catalog.millersville.edu/graduate/college-science-technology/mathematics/mathematics-med/>)

Courses are designed to be of optimum value and relevance to teachers of mathematics in secondary schools. Mathematics teachers who are not pursuing a degree may enroll as nondegree students and elect any course in mathematics or mathematics education for which they have the prerequisites.

Admission Requirements

Admission to the M.Ed. program in mathematics education is granted to those applicants whose mathematical preparation fulfills the mathematical proficiency requirement (see I below). Conditional admission is granted to those applicants who have satisfactorily completed the following Millersville University undergraduate mathematics courses or their equivalents: MATH 161 Calculus 1, MATH 211 Calculus 2, MATH 311 Calculus 3 and MATH 322 Linear Algebra 1. Such persons are granted full admission status upon fulfillment of the mathematical proficiency requirement.
