NURSING, M.S.N. - SCHOOL NURSING

The School Nurse Program is designed for the student who desires a PA Department of Education K4-12 School Nurse Certification. This program is offered as a stand-alone post-baccalaureate School Nurse Certification or as part of the MSN-School Nurse curriculum. In order to achieve certification, students progress through courses in Advanced Educational Psychology and School Nursing. The courses incorporate online instruction and experiential learning activities in a public school setting. All course content and time offerings are designed to meet the needs of the student as well as Pennsylvania standards for School Nurse Certification.
