

ART HISTORY MINOR

The Art History minor is designed for the student who wishes to pursue courses in art history in addition to those in his/her major field. Students learn the significance and influence of art history in historical works and in contemporary works. Classes range from pre-historic, medieval, and Renaissance art to the 19th and 20th centuries as well as contemporary movements in art. Students will be encouraged to participate in study abroad, internships, and extracurricular activities. These experiences will allow students to gain valuable real-world knowledge that lasts long after graduation.
