## **ART HISTORY MINOR**

The Art History minor is designed for the student who wishes to pursue courses in art history in addition to those in his/her major field. Students learn the significance and influence of art history in historical works and in contemporary works. Classes range from pre-historic, medieval, and Renaissance art to the 19<sup>th</sup> and 20<sup>th</sup> centuries as well as contemporary movements in art. Students will be encouraged to participate in study abroad, internships, and extracurricular activities. These experiences will allow students to gain valuable real-world knowledge that lasts long after graduation.
