Students must apply for clearances and admission to Advanced Professional Studies. Secondary education students must have a minimum 2.8 GPA to enroll in Advanced Professional Studies, must achieve a GPA of 3.0 and fulfill language proficiency requirements to graduate.

Dual Certification in K-12 French, German or Spanish and Special Education: An 18-credit program (in addition to credits needed for language certification) designed to prepare students for certification in their content area and special education. All program requirements can be completed within one additional semester following the senior year.
