

INTERNATIONAL STUDIES

Millersville University offers a major and minor in international studies. Many faculty from various disciplines teach in the program.

Living in the 21st century shows us that interdisciplinary and cross-cultural studies contain extreme importance in our global system. Our lives increasingly entwine with lives and events with people halfway around the globe. National and international organizations, governments, and businesses, in both the public and private sectors, have increased their demand for students who have an understanding of the complex international community.

The B.A. Degree in International Studies provides students with a valuable global perspective and the skills needed to pursue a future career and/or higher degrees in the areas of:

- Government
- Teaching
- Communication
- Non-Profit
- Law
- Journalism
- Business
