

CERTIFICATE IN ETHICS AND SOCIETY

The Ethics and Society Certificate program will provide students with the opportunity to engage in critical study of the philosophical underpinnings of various ethical theories and the application of those principles to a range of contexts. The curriculum for the program includes, along with a general introductory course, classes in Biomedical Ethics, Business and Professional Ethics, Environmental Philosophy/Ethics, Food Ethics, Global Ethics and Social Justice, and others. Through such courses students will develop expertise and skills in critical ethical reasoning in application to diverse contexts. Think about it and you will see the value for yourself: Employers nowadays both want and need to hire college students who have taken courses in philosophy and ethics. The work of professionals today demands it.
