EARLY CHILDHOOD EDUCATION - PREK - GRADE 4, B.S.ED.

The student may elect to earn Pennsylvania licensure (certification) in early childhood education (PreK–Grade 4). The program in early childhood education is designed to provide the student with an in-depth knowledge of subject matter and pedagogy appropriate for all students, including those for whom English is a second language. The program also provides extensive and varied field experiences.

The student who completes the early childhood program at Millersville University receives a Bachelor of Science in Education degree and may apply for a Pennsylvania Instructional I teaching certificate after successfully passing the Pennsylvania Educator Certification Test (PECT). Each student is strongly urged to complete an academic minor from the University's list of approved minors, which includes a minor in Integrative STEM Education Methods.
