APPLIED ENGINEERING, SAFETY & TECHNOLOGY

The programs

• Advanced Manufacturing Technology Minor (https://catalog.millersville.edu/undergraduate/engineering-safety-technology/advanced-manufacturing-minor/)

• Applied Engineering & Technology Management, B.S. - Computer-Aided Drafting & Design Concentration (https://catalog.millersville.edu/undergraduate/engineering-safety-technology/computer-aided-drafting-design-concentration/)

• Applied Engineering & Technology Management, B.S. - Construction Management (https://catalog.millersville.edu/undergraduate/engineering-safety-technology/construction-management/)

• Applied Engineering & Technology Management, B.S. - General Technology (https://catalog.millersville.edu/undergraduate/engineering-safety-technology/general-technology/)

• Applied Engineering & Technology Management, B.S. - Graphic & Packaging Technologies Concentration (https://catalog.millersville.edu/undergraduate/engineering-safety-technology/graphic-packaging-technologies-concentration/)

• Applied Engineering & Technology, A.T.- Graphic Communication Technology (https://catalog.millersville.edu/undergraduate/engineering-safety-technology/graphic-communication-technology/)

• Computer Aided Drafting/Design Minor (https://catalog.millersville.edu/undergraduate/engineering-safety-technology/computer-aided-drafting-design-minor/)

• Construction Technology Minor (https://catalog.millersville.edu/undergraduate/engineering-safety-technology/construction-technology-minor/)

• Control Systems Technology Minor (https://catalog.millersville.edu/undergraduate/engineering-safety-technology/control-systems-technology-minor/)

• General Applied Engineering Technology Minor (https://catalog.millersville.edu/undergraduate/engineering-safety-technology/general-applied-engineering-technology-minor/)

• Graphic Communication Technology Minor (https://catalog.millersville.edu/undergraduate/engineering-safety-technology/graphic-communication-technology-minor/)

• Integrative STEM Education Methods Minor (https://catalog.millersville.edu/undergraduate/engineering-safety-technology/integrative-stem-education-methods-minor/)

• Technology & Engineering Education (K-12), B.S.Ed. (https://catalog.millersville.edu/undergraduate/engineering-safety-technology/technology-engineering-education-bsed/)

• Technology & Engineering Education Minor (https://catalog.millersville.edu/undergraduate/engineering-safety-technology/technology-engineering-education-minor/)

• Technology & Engineering Education, B.S.Ed. - Engineering Design Education Concentration (https://catalog.millersville.edu/undergraduate/engineering-safety-technology/engineering-design-education-concentration/)
