APPLIED ENGINEERING & TECHNOLOGY, A.T.- GRAPHICS COMMUNICATION TECHNOLOGY

The Graphics Communication concentration within this two-year program provides students with the same basic technical coursework as the AETM program, but without courses in management. Graduates of this degree concentration typically find employment in all technical phases of the industry, from pre-press through post-press operations, including design and layout, and desktop publishing.

Applied Engineering & Technology, A.T.- Graphics Communication Technology

**Major in Appl Eng Tech-AT**
