GRAPHIC COMMUNICATION TECHNOLOGY MINOR

The Graphic Communication minor requires students to complete six courses from among the course offerings in the Graphic Communication (GC) concentration. Three of these courses are core GC classes: Communication & Information Systems, Print Media Systems, and Web Publishing & Interactive Media. To complete the minor, students must choose three additional courses from six options including: Digital Imaging, Contemporary Printing, Desktop Publishing, Packaging & Specialty Printing, R&D in Graphic Communication, and Print Production Management & Cost Estimating. A Graphic Communication minor can help students become knowledgeable about, and skilled in, practices involved in printing, packaging, publishing and other graphic communication industries.

Regulations Governing Minor Course Work

a. There shall be a minimum of 18.0 credit hours with a minimum Millersville QPA of 2.0.
b. Only one course which counts toward your major may be counted toward your minor.
c. Courses that count toward a minor are also eligible to be used to satisfy the current University-wide General Education requirements subject to normal distribution requirements.
d. At least two courses should be at the upper-division level (300-400). Exceptions may be requested upon evidence of program depth.
e. No course needed for the minor may be taken Pass-Fail.
f. One-half or more of the work required for the minor must be completed at Millersville University.
g. No student may minor in his or her major.
