GRAPHIC COMMUNICATION TECHNOLOGY MINOR

The Graphic Communication minor requires students to complete six courses from among the course offerings in the Graphic Communication (GC) concentration. Three of these courses are core GC classes: Communication & Information Systems, Print Media Systems, and Web Publishing & Interactive Media. To complete the minor, students must choose three additional courses from six options including: Digital Imaging, Contemporary Printing, Desktop Publishing, Packaging & Specialty Printing, R&D in Graphic Communication, and Print Production Management & Cost Estimating. A Graphic Communication minor can help students become knowledgeable about, and skilled in, practices involved in printing, packaging, publishing and other graphic communication industries.
