The Graphic Communication minor requires students to complete six courses from among the course offerings in the Graphic Communication (GC) concentration. Three of these courses are core GC classes: Communication & Information Systems, Print Media Systems, and Web Publishing & Interactive Media. To complete the minor, students must choose three additional courses from six options including: Digital Imaging, Contemporary Printing, Desktop Publishing, Packaging & Specialty Printing, R&D in Graphic Communication, and Print Production Management & Cost Estimating. A Graphic Communication minor can help students become knowledgeable about, and skilled in, practices involved in printing, packaging, publishing and other graphic communication industries.
