**Reg Related for Allied Healt Tech-Medical Tech, BS** 

Title

true

**Required Related Credits** 

## ALLIED HEALTH TECHNOLOGY, B.S. - MEDICAL TECHNOLOGY 3+1 YEAR OPTION

## Major in Allied Health Tech-Medical Technology, BS For Allied Health Technology majors the G2 block of the Liberal Arts Code Title Hours Core will be fulfilled by your required related coursework. Credits Required for Major **CHEM 111** Introductory Chemistry 1 4 **CHEM 112** Introductory Chemistry 2 4 **CHEM 326 Biochemistry 1** 4 ORGANIC CHEMISTRY - Choose 1 of the following: true 4-8 A C- or higher in CHEM 111 and 112 is a pre-requisite for Minimum Residency 50% of Major Courses CHEM 235. A C- or higher in CHEM 231 is a pre-requisite for CHEM 232. Students planning to attend graduate school or pursue programs in medical, dental, veterinary, pharmacy, physical therapy or physician assistant after their clinical training should true take CHEM 231 and 232 for this requirement. Minimum GPA 2.0 for Major Short Course in Organic Chemistry - See Appendix 1 Organic Chemistry I and Organic Chemistry II - See Appendix 2 true **MATH 130 Elements of Statistics 1** 3 Precalculus 4 **BIOL 257** Introduction to Allied Health Professions 1 **MATH 160** Precalculus **BIOLOGY FOUNDATIONS** Students intereted in attending graduate or professional school General Biology with B- or higher 3 should also take MATH 161 **BIOL 100** General Biology Physics I with Algebra 4 **REQUIRED BIOLOGY COURSES (C- or higher) PHYS 131** Physics 1 with Algebra **BIOL 254** Human Anatomy & Physiology I 4 Students interested in attending graduate or professional school **BIOL 255** Human Anatomy & Physiology II 4 should also take PHYS 132 Cell and Developmental Biology 4 **BIOL 362** 27-31 Total Hours **BIOL 364** Foundations of Genetics & Molecular Biology 4 **BIOL 454** Immunology 3 Appendix 1. Short Course in Organic Chemistry **BIOL 361** Microbiology 4 Code Title Hours **Directed Electives CHEM 235 Organic Chemistry** 4 undefined - Choose 2 of the following: 5-8 Appendix 2. Organic Chemistry I and Organic Chemistry **BIOL 211** Concepts of Zoology **BIOL 352** Nutritional Science Ш **BIOL 363** Medical Microbiology Code Title Hours **BIOL 437** Endocrinology **CHEM 231 Organic Chemistry 1** 4 **BIOL 438** Neurobiology **CHEM 232 Organic Chemistry 2** 4 **BIOL 455** Cardiopulmonary Physiology **BIOL 462** Molecular Biology BIOL 463 Virology **BIOL 465 Developmental Biology BIOL 466** Molecular and Cell Techniques **BIOL 467** Human Genetics: Analysis/Apps **RESP 422** Pharmacology Med Tech Clinical Coursework 26 credits in Clinical Laboratory Science completed at an affiliate 26 hospital site **Total Hours** 58-61
