

BIOLOGY, B.S. - MEDICAL TECHNOLOGY OPTION

In this program, students study for three years at Millersville and then apply for admission to an accredited regional teaching hospital for one year of clinical training in medical technology. Then students are awarded a BS in Biology, Medical Technology Option. After completing the required work, students may sit for a national examination which, if successfully completed, confers board certification in medical technology.

Affiliated Faculty:

Beitz, Edwin; Program Director, Medical Laboratory Science Program, WellSpan/York Hospital
MT(HHS), 1988; B.S., Lycoming College, 1990; M.H.A., St. Francis University, 2001; MLS(ASCP), 2004

Hurt, Stanley D.; Medical Advisor, Medical Laboratory Science Program, WellSpan/York Hospital
B.A., University of Maryland, 1996; M.D., University of Pittsburgh School of Medicine, 2002; AP/CP, 2007

Kentzel, Ethan; Program Director, Medical Laboratory Science Program, Reading Hospital School of Health Sciences
MLS ASCP, B.S., Slippery Rock University, 2014, M.S., Drexel University, 2022

Miele, Mary Beth; Program Director, Medical Laboratory Science Program, Penn State Health
PhD, MLS(ASCP)CM, RM(NRCM)

Soost, Sherry; Program Director, Medical Laboratory Science Program, Pennsylvania College of Health Sciences
MSHS, MT(ASCP), CHO(NRCC)
