

# ENVIRONMENTAL GEOGRAPHY MINOR

A minor in environmental geography emphasizes a study of physical and human geography and traditional resource-based issues of air, water, energy and land resources. The minor complements most majors in the social and natural sciences. 18 credits required.

## ***Regulations Governing Minor Course Work***

1. There shall be a minimum of 18.0 credit hours with a minimum Millersville QPA of 2.0.
2. Only one course which counts toward your major may be counted toward your minor.
3. Courses that count toward a minor are also eligible to be used to satisfy the current University-wide General Education requirements subject to normal distribution requirements.
4. At least two courses should be at the upper-division level (300-400). Exceptions may be requested upon evidence of program depth.
5. No course needed for the minor may be taken Pass-Fail.
6. One-half or more of the work required for the minor must be completed at Millersville University.
7. No student may minor in his or her major.

## **Minor in Environmental Geography**

| Code  | Title                        | Hours     |
|---|------------------------------|-----------|
| GEOG 101  | The Global Environment       | 3         |
| GEOG 202  | Environmental Sustainability | 3         |
| Physical Geography or Geomorphology - Choose 1 of the following:  |                              | 3         |
| GEOG 230  | Physical Geography           |           |
| ESCI 225  | Geomorphology                |           |
| GEOG 281  | Maps and GIS                 | 3         |
| Geography Electives at the 300-400 Level - Choose 2 classes from: |                              |           |
| Any 3-level GEOG course(s)  |                              |           |
| Any 4-level GEOG course(s)  |                              |           |
| <b>Total Hours</b>  |                              | <b>12</b> |
