

ENVIRONMENTAL GEOGRAPHY MINOR

A minor in environmental geography emphasizes a study of physical and human geography and traditional resource-based issues of air, water, energy and land resources. The minor complements most majors in the social and natural sciences. 18 credits required.

Regulations Governing Minor Course Work

1. There shall be a minimum of 18.0 credit hours with a minimum Millersville QPA of 2.0.
2. Only one course which counts toward your major may be counted toward your minor.
3. Courses that count toward a minor are also eligible to be used to satisfy the current University-wide General Education requirements subject to normal distribution requirements.
4. At least two courses should be at the upper-division level (300-400). Exceptions may be requested upon evidence of program depth.
5. No course needed for the minor may be taken Pass-Fail.
6. One-half or more of the work required for the minor must be completed at Millersville University.
7. No student may minor in his or her major.

Minor in Environmental Geography
