SUSTAINABILITY STUDIES MINOR

A minor in sustainability studies is an interdisciplinary examination of themes in sustainable development, environmental studies, public policy, city and regional planning, economics, and social well-being. A sustainability minor complements most major programs of study in business, social sciences, natural sciences, and human services. 18 credits required.

Regulations Governing Minor Course Work
1. There shall be a minimum of 18.0 credit hours with a minimum Millersville QPA of 2.0.
2. Only one course which counts toward your major may be counted toward your minor.
3. Courses that count toward a minor are also eligible to be used to satisfy the current University-wide General Education requirements subject to normal distribution requirements.
4. At least two courses should be at the upper-division level (300-400). Exceptions may be requested upon evidence of program depth.
5. No course needed for the minor may be taken Pass-Fail.
6. One-half or more of the work required for the minor must be completed at Millersville University.
7. No student may minor in his or her major.
