

MATHEMATICS, B.S.ED.

The Bachelor of Science in Education (B.S.E.), which provides training in Secondary Mathematics Education, is the degree program for prospective teachers of mathematics in secondary schools. Students receive thorough training in both Mathematics and Teacher Education. In order to graduate in 4 years, students in the B.S.Ed. program must complete all their academic coursework in 7 semesters, as their final semester is spent in a full-time student teaching field placement.
