# NURSING, B.S.N.

The RN to BSN program at Millersville University is designed for those who have obtained their associate degree in nursing or diploma and RN license. This program is offered in a completely online format. The online program allows registered nurses to work toward a Bachelor of Science in Nursing degree at their own pace and while continuing to work as an RN. Faculty advisers provide individualized analysis of your previous credits to ensure the most efficient path to your degree.

The RN to BSN program at Millersville University is accredited by the Accreditation Commission for Education in Nursing (ACEN). Graduates receive a Bachelor of Science in Nursing (BSN) degree.

Designed for the busy, working RN, the RN to BSN program is a fully asynchronous online program. There are 31 credits of required nursing courses focused on the core program outcomes of exploration, professionalism, advocacy and action, embracing diversity, and leadership.
