INFORMATION TECHNOLOGY, B.S.

The Information Technology (INTE) major at Millersville University helps students to gain comprehensive knowledge in this field with practical hands-on skills crucial to support organizational Information Technology infrastructure and users. Information Technology is the application of technology to solve organizational problems and increase business operation efficiency. Information Technology incorporates the selection, creation, application, communication technologies, integration, and administration of computing devices to meet the organizational needs, individual user demands, and society at large. This program addresses the importance of applied skills and practical experiences in Information Technology by allowing students to gain hands-on experiences with fundamental Information Technology topics and get prepared for emerging careers in Information Technology.
