Starfish (https://eab.com/products/starfish/) is Millersville University's student success platform. It promotes communication between students, course instructors, faculty advisors, and staff in support of student academic achievement.

Featured tools include: (1) academic progress surveys which provide timely updates on individual student course progress each semester, (2) attendance surveys to flag any students who have not or have stopped attending class, (3) early alerts which let students and academic advisors know when a student is staying on track or may need additional academic supports, (4) student-generated "request help questions" to get learners proactively connected to needed resources and information, and (5) appointment and calendar features for students to schedule meetings.
